[illegible]A light gray notification window from the Windows Snipping Tool. It features the Snipping Tool icon (a blue square with a white 'S' and a magnifying glass) and the text 'Snipping Tool' in the top left. In the top right, there are three dots and a close button (an 'X'). The main text in the center reads 'Screenshot copied to clipboard' and 'Automatically saved to screenshots folder.' Below this text is a white button with the text 'Mark-up and share' in a dark gray font.

Pose: Standing

A person is shown from the chest up, wearing a white t-shirt with a yellow graphic and the text "The sun will come up". They are raising their right hand. Red dots are placed on the face (forehead, eyes, nose, mouth, chin) and on the chest. A green line connects two red dots on the chest. The background is a plain wall with a window and some items on a shelf.
